MESSAGE FROM THE PRINCIPAL'S DESK

Education is the only genre that is capable of transforming a person into socially useful and resourceful human being. Taking the cue from the above recipe, Iqba College, Thiruvananthapuram, a prodigious educational institution that came into existence in 1964, has moved past myriad memorable milestones in the cultural scientific and intellectual revolutions alongside the nation.

Today, Iqbal College is a name to be reckoned with for those who are in the pursuit of knowledge. Currently, the college functions with seven departments delivering graduate, post graduate, and research programmes. More than thousand students make the serene campus a cynosure of all eyes, irrespective of their social background.

While providing the rural community and the not-so-affluent students of the society with the most essential survival mantra, education, the college has been sowing the seeds of brotherhood, tolerance and high moral values in the minds of the youth.

In addition to the traditional graduate, postgraduate and research programme Iqbal College has pioneered short-term tailor-made and job oriented courses taking the concept of education to meet the changing needs and requirements of the nation.

In addition to the traditional graduate, postgraduate and research programme Iqbal College has pioneered short-term tailor-made and job oriented courses taking the concept of education to meet the changing needs and requirements of the nation.

GENERAL INFORMATION

COLLEGE PROFILE

IQBAL COLLEGE is an excellent higher education institution founded in 1964, as a junior college with the affiliation of the University of Kerala. It won acclaim as the first college owned by the Muslim community in Thiruvananthapuram District and the pioneer in Nedumangad Taluk. The University Grants Commission, New Delhi included the college in the 2(f) and 12(B) list in 1987. The College started PG in 1995. In 2010, the University of Kerala approved the college as a Research Centre in the field of Commerce. Admission is open to all candidates without caste and creed discriminations. Hence the college benefits the society at large, especially SC, ST, OBC and other marginalized communities. The campus spreads on a 30 acre hillock, on a lovely and picturesque greenbelt, on the slopes of the Western Ghats, at the backdrop of the Ponmudi Hills, which provides a serene and tranquil atmosphere for teaching and learning. VISION

To be a Centre of Excellence which imparts value based education to young students and empower them as full fledged future citizens.

MISSION

To translate the vision into action by giving globally relevant quality education to students irrespective of caste, creed and gender.

OUR MANAGEMENT

The College is managed by the Iqbal College Trust, Peringammala, in Nedumangad Taluk. The Trust started its functions aiming to provide charitable and educational services to the society, in 1964, when higher education was totally inaccessible to the general public in the area. The venture was geared and accelerated by some visionaries and social reformers of the Muslim community in south Kerala. Their united effort with sincerity fructified into giving shape to this college as the signature institution of the Trust. The college has been named after the great poet - philosopher Sir Dr. Allama Muhammed Iqbal, the author of the famous patriotic song. "Sare Jahaam se Achchaa.....Hindustan hamara....."

Through decades of hard work and social commitment of the management the college could reach the zenith of modern education. At present the Trust facilitates kindergarten to post graduate studies within the vicinity of Iqbal college campus. ALLAMA IQBAL INSTITUTE OF MANAGEMENT (MBA) and IQBAL TRAINING COLLEGE (B.Ed) of the Trust are flourished as the flagship institutions for professional studies. The prime body of the Trust is the executive committee. The executive members of the trust are elected by the General Body as per bye-laws.
